Relationship Report for Barack and Michelle

How to get the most from this Relationship Report

The success of your relationship is never determined by your Birth Cards or your connections alone. Though some cards have it easier than others in this important area of life, ultimately it is each individual who holds the responsibility for the success or failure of their relationship. This report will act as a guide to help you achieve that success if that is what you truly want. Pay special attention to the affirmations listed for each connection in this report.

Welcome to your personal Love Cards report. The purpose of this report is to reveal as much information about you and your partner as possible, using an ancient and highly accurate system called The Book of Destiny. It is our hope that this report will enlighten you a little, and maybe even help you to make more powerful and happy choices in the areas of love and marriage. This report will explain many things about you, your partner, and how the two of you interact. However, in no way is this meant to tell you whether or not you will be successful as a couple. That success is always in your hands. No matter what connections you share, this relationship can be successful if both partners want it and are willing to commit to making it happen. However, you may discover herein just how easy or challenging that may be for the two of you.

Your Relationship Report consists of two separate parts. The first part is where you will find the description of each of your Birth Cards and Planetary Ruling Cards, if you have them. This section will reveal some of your personality traits, values, and other factors that make each of you who you are. You can get a basic feeling for each of you in this section and perhaps get a new perspective on who you are. This section may also reveal some of your relationship patterns - what sorts of people you are each attracted to, whether you are inclined to commitment or not, and other factors that may influence your love life.

Once you have learned something about each of you separately, you are ready to learn about how the two of you connect energetically. In the second part you will find out exactly what 'connections' you share with your partner that explain what each of you experiences when you are together. This is where you will find out what areas are easy or challenging for the two of you, what things you may like or dislike about your partner and why. Your connections explain how your relationship will be experienced by both of you. Some connections are good for sex, others for marriage, and others for working or business relationships.

This report was created with the intention of opening up doors of understanding and awareness. May your awareness grow and along with it, your understanding of your life and your happiness with it.¹

Relationship Report for Barack and Michelle

All about Barack`s Birth Card

Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.

The Nine of Diamonds Person

The Card of Universal Values and The Giver's Card

Nine of Diamonds people are here to 'let go' and complete a major chapter in the evolution of their soul and personality. This entails a lot of giving to others and being willing to release both people and material things from their life when the time comes. If they have not heeded the call to give and let go of others, money, relationships, and love, their life can be filled with disappointment and remorse. Those on the positive side are philanthropic and generous, happy and productive. All have the opportunity to experience first hand, the heightened consciousness that comes from living a 'universal' life.

Despite losses from time to time, these people can do very well in business, especially when it involves selling or other creative enterprises. They are great at promoting things they believe in. They are great talkers and communicators. Many become counselors, if not professionally, then at least with their friends and family. If they keep their values in proper perspective, they may even attain affluence. A disregard for the higher laws will inevitably result in misfortune and misery. They should be careful while driving and when taking any kind of risks and chances. They can be reckless or accident prone.

They also have great minds and many are attracted to some professional work that allows them to use their intellectual abilities.

One of the challenges of the Nine of Diamonds is to develop and use their charm and power to do some good work. Many of them are destined to make great contributions to the world, often by leading others to a higher form of knowledge or understanding.

Some of the Nine of Diamonds Issues Concerning Relationships

Nine of Diamonds like to have someone to talk to and prefer relationships with those who are witty and smart. Most of them have at least one challenging marriage of a karmic nature and there are usually responsibilities associated with family, spouse or children. Marriage is usually karmic, or destined, and often long lasting. The men should always beware of

female Club cards, except the Jack of Clubs, who might make a good marriage partner. They tend to have traditional values about marriage and are very giving people and easy to get along with.

All about Barack`s Planetary Ruling Card

The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.

Leos Have No Separate Planetary Ruling Card

Because you are a person born under the royal sign of the Sun, your Planetary Ruling Card is the same as your Birth Card. What this tells us is that you are much like a double or triple version of your Birth Card. Whatever qualities you have, according to your Birth Card, have been doubled in your case and of course, you tend to dramatize these qualities to the max at times. Of you, people might say, "he (or she) is such a card!" because you put so much of yourself into whatever expression you have to show to the world. You have a lot of potential in terms of leadership and have an opportunity to utilize the characteristics of your Birth Card to lead others and help them in many ways. You also tend to have a strong romantic nature that in some cases, can interfere with long-term commitments.

All about Michelle`s Birth Card

Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.

The Ten of Diamonds Person

The Blessed Card

This card sits in the very center of the Grand Spread of cards, protected on all sides by Jupiter's blessings. It is THE card of material opulence though few of them actually achieve this reality. However, all of them are protected financially and will always have a certain amount of good luck. To achieve their highest potential, they need to be involved in a business, preferably their own. They have the know how to manage and run a business of any size. Many of them inherit or marry into wealth.

With so many blessings, you might expect them to be generous souls, but that is not always the case. Many of them simply direct these blessings to the acquisition of more money and some of them even become ruthless in this regard. Others, however, pay heed to their Queen of Clubs Karma Card, the card of intuition and service through knowledge, and devote their talents and resources to helping the world. All tens are in danger of becoming overly fixated on 'accumulation' of things related to their suit. For the Ten of Diamonds, this would manifest as a money fixation. Some Ten of Diamonds can be very selfish.

With their creativity and intelligence, they are always successful in whatever they undertake. Usually this power is directed towards business and gain and there is no size of business or financial enterprise that they cannot handle. If they develop their spiritual awareness, their later years will be filled with expansion of their mind and soul instead of doubt and indecision. Many find an artistic avenue of expression in their later years, which brings many rewards.

Some of the Ten of Diamond Issues Concerning Relationships

Ten of Diamonds have a strong desire for love and relationships and also some karma from past lives that must be discharged through one or more difficult divorces or separations. They bring into this life some karma of having been the one who left another unfairly and unlovingly. In this life, they are likely to receive the same treatment from another, often the same person

they were with before.

They want love and are usually the one who initiates new relationships. It is their own emotionally restless nature that must be dealt with before they can have a successful marriage. They often find themselves in situations where they must sacrifice their own need for affection for higher reasons or to help others in need. They are learning to love themselves and the child within. Finding that relationship within brings them more fortune in other relationships as well.

The female Ten of Diamonds should not let relationships come before her work and career, except in few cases where there is great compatibility. There always seems to be great burdens associated with romance and marriage.

All about Michelle`s Planetary Ruling Card

The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.

Five of Hearts as Your Planetary Ruler

Regardless of what your Birth Card is, you are a restless person who is seeking to learn about love through direct experience. For this reason, you may have many relationships over the span of your life. You may also seem to avoid commitments on an emotional level, as these may hamper your ability to get all of the experiences that you desire. Freedom is a very important word in your vocabulary. However, you may even get married, though few with this card do. If so, you are doing it for what you can learn from the experience more than anything else. You probably love to travel and have gravitated towards things and occupations that allow you the freedom to do so. You have some common sense about money and organizational ability that help you keep an ample supply of money on hand at all times. But essentially, you are a free spirit who loves to meet new people and have new experiences.

All about the Love Connections you share

Look at each connection between you as a cosmic link that connects each of you to some part of yourself that you want to look at, develop or explore in some way. Your partner is your mirror into your own soul.

This report uses the most advanced techniques available to give some real insight into the inner workings of your relationship. Using the ancient system, now known as the Book of Destiny, it determines the energy 'connections' that reflect exactly how the two of you interact. These connections are essentially described as planetary energies, for example Mars or Venus. Some connections are harmonious, while others create certain kinds of friction or stress between you. All of the connections between you serve an important purpose and contribute to the experience that you share. Keep in mind that most connections have a higher expression and a lower one. The affirmations given for each connection indicate how to access the highest expression of each one.

The connections are listed in the order of their importance. The first connection is the most important and the second is the next important, etc. But even the last connection between you probably manifests itself in your experience together. Therefore, regard all of them as having some important information for you.

You may have only a few connections, two or three, or you may have as many as fourteen. Each couple has a unique number and kinds of connections - as unique as the love and feelings they share for each other.

Look to see if you have more than one kind of connection between you. For example, you may have a total of two or three Mars connections between you. When this is the case, you should study these connections carefully, realizing that this probably indicates some of the most important reasons that you are together and the issues that you most often face together.

Finally, there are no bad connections. If we are attracted to someone so much that we spend time with them, there are important reasons for this. The descriptions of the connections in this report can help you understand why you have made the choice to be together, which can in turn help each of you to understand your individual personalities and needs better. Of course, some connections indicate stress and challenge, but this is because we often use relationships as the vehicle through which we resolve our own inner conflicts. If the love is there, there are many good things for each of you to gain from being together.

Relationship Report for Barack and Michelle

The First Connection Between You

Barack

Michelle

Your first connection is always considered the most important of all and, in most cases, will represent the dominant pattern that is your relationship. Study the connection described below carefully, as it may reveal some hidden opportunities for the two of you.

Barack is the Moon Card to Michelle

Location: Spiritual Spread

Of all the connections that exist among the cards in the deck, the Moon connection is probably the single most powerful one when it comes to decisions about long-term commitments. When someone is our Moon card, we feel very close and comfortable with them. When this connection is found in the Spiritual Spread, we feel even closer, and at the same time we sense that we have been together before. This is what we call an 'earned connection' in that it has a sense of familiarity to it that comes from having spent time together in a former lifetime. Couples who have this connection often experience instant recognition of each other, or love at first sight. Because they had been together before in a meaningful way, there is a certain sense of intimacy and emotional closeness when they meet, even if they have never seen each other before in this lifetime. This unexplainable sensation is one of the most attractive situations to those seeking a partner. It is not surprising how many people with this connection have gotten married, or at the least, had significant relationships together.

In this relationship, Barack is a Moon Card influence to Michelle. His presence in Michelle's life is like a healing balm that soothes her. He provides Michelle with nurturing support and a sense of foundation, security, home and settledness. Michelle, on the other hand, brings many good things into the life of Barack. She brings new ideas, fresh perspectives, new information, a broadening of experience and important direction for the relationship. Whether they realize it or not, Michelle is the so-called 'leader' of this relationship. That is the nature of being the Sun Card in a Sun/Moon relationship.

When we envision the ideal male/female relationship, a symbol that comes to mind is the Sun and Moon. One rules the day, the other, the night. One is fire and the other water. Together they balance each other out and fulfill each other's vacant spots. The Sun warms the water (Moon) and the water cools the Sun. This is the most ideal connection for a couple who have these essential male and female qualities and nearly guarantees the success of the relationship. Thus, it is not surprising how many successful marriages are based upon this important connection.

Keep in mind however, that this connection only supports partners who

The First Connection Between You

Barack

Michelle

are willing to play the Sun and Moon roles. Some Sun/Moon relationships have ended because one or both of the partners was unwilling or unable to play the role dictated by this connection. What this means for this relationship is that if Barack is not willing to be the supportive, nurturing person in this relationship, or if he is unwilling to take the back seat to Michelle in key situations, this relationship may not last. Likewise, if Michelle is unwilling to provide leadership, perhaps because she doesn't have any clear direction for her life, then the same result is likely.

However, when two people become involved with this connection they are usually willing to play these roles. On a basic energy level, the roles are demanded of them. When Barack and Michelle are harmonizing themselves with these roles, much happiness and satisfaction is the result. This is a relationship that could easily last a lifetime. There just is no better connection for compatibility and long-term harmony.

Affirmation for Barack: I am very grateful for Michelle's presence in my life. She is a breath of fresh air that is always bringing me new and wonderful things. I love our communication together and enjoy being Michelle's support person. It feels natural to give of myself in this way.

Affirmation for Michelle: I am grateful for the presence of Barack in my life. I feel that I have found a perfect partner that supports me in the directions that I feel are important in my life. I appreciate all the wonderful things that he does for me and our easy and natural communications.

The Second Connection Between You

Barack

Michelle

Location: Life Spread

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Barack and Michelle share a very powerful connection that is sure to affect them both, but mostly it will affect Michelle. Someone who is our Pluto Card has qualities and character traits that will challenge us and inspire us to change ourselves, whether we like it or not. When we attract someone who is our Pluto Card, it is as if we have a secret desire to make some important changes in our life and need the help of a partner in order to effect this change. Thus it is for Michelle because Barack is a transformative influence in her life.

This connection often produces a powerful attraction, especially in the beginning of the relationship. It has even been associated with obsessive or compulsive kinds of relationships. The attraction may be compared to the attraction of a moth to a flame, because ultimately our Pluto person will cause us to burn in the fires of our own personal transformation.

It may be that Michelle feels that she would like to be like Barack in some way. Many times our Pluto Card represents qualities that we would like to have, but haven't been able to achieve for some reason. Michelle may admire many of Barack's qualities and secretly wish that she were more like him. And indeed, Barack's presence in her life will serve to accelerate her own process of change that will help her achieve those things she wants. But keep in mind that Pluto is the planet of transformation. This means that something within us must die in order for the something that we want to be born anew. Most of us are afraid of death, even the little deaths in our life that make way for a new us. This may be the case with Michelle, who has attracted this transformative person into her life.

It would not be surprising then, if Michelle resisted the changes inspired by Barack in her life. She may even get into arguments or fights with Barack. When a strong Pluto influence is in our life, we often feel confronted on many levels. This can make us feel threatened or angry. Some Pluto relationships can even become violent, if the person receiving the Pluto energy unconsciously blames their partner for the feelings that are inspired by this connection. When Pluto energy is expressed on the negative side, we may feel that our very existence is threatened. Unss we have consciously made the choice to make this change in us, we may resist and lash out at our partner, thinking that they

The Second Connection Between You

Barack

Michelle

are the cause of our problems.

The Pluto connection is about making some fundamental changes in our life. The actual number and suit of the Card of Barack's that is involved in this connection may indicate the nature of the changes that Michelle needs or wants to make within herself. If she has already realized that she needs to change in some areas, she is probably already aware of Barack's importance in her life. And often the changes that are needed can take a number of years to effect. So this may be one, if not the, most important relationship of Michelle's life. Barack will be affected as well, simply by being the witness to Michelle's going through the transformation. And ultimately, this relationship can be of the highest value to both of them.

Affirmation for Barack: I realize the unusual role that I play in Michelle's life and consciously direct my thoughts, words and deeds to perform this role in a loving and compassionate manner. I am inspired by the work she is doing on herself.

Affirmation for Michelle: I accept Barack as a catalyst for my own personal transformation. I consciously apply myself to my inner work while being grateful for Barack's presence in my life. With him, my transformation is accelerated many times over. I accept this change as my own personal responsibility.

Michelle is the Saturn Card to Barack

Location: Life Spread

Saturn has traditionally been known as the planet of hardship, coldness and difficulties of all kinds. And in fact there are some Saturn relationships in which these qualities predominate. However, there are many Saturn relationships that have other qualities, and in these we see the more positive aspects of Saturn's influence. We cannot predict exactly how this relationship between Michelle and Barack will be affected by this connection because that will depend upon how consciously they choose to apply the energy of this connection. It can be very constructive or it can be difficult and depressing. So, here we will define some of the qualities more specifically so that it can be understood fully.

In this relationship Barack has somehow chosen Michelle to be his teacher. Though this may not have been a completely conscious choice, it is so just the same. Michelle, being his Saturn Card, will experience a natural inclination to help Barack by making suggestions for improving his life or career. Just having Michelle in his life is a reminder to Barack of things he needs to do in order to make his life better than it is. A Saturn person teaches us how to be more responsible, grown-up, practical, disciplined, conscientious and fair. They will help us to become more aware of how our words and actions affect those around us. These lessons can result in Barack becoming more successful in his work, especially if he has strong career aspirations or goals of things he wants to attain. On some level, Michelle is a father figure to him and indeed she may remind Barack of his father in many ways.

Taken with a positive attitude, Barack may make great progress in his life by the presence of Michelle. The closer this connection is to being the first connection in this relationship, the more important this relationship is for Barack in terms of what he needs to learn. The best possible attitude would be where Barack acknowledges Michelle as his teacher. Not that he needs to give up his own thoughts or beliefs to Michelle, but just that there are probably things that he can learn from her.

In extreme cases a person that is Saturn to us can be abusive. The other side of that coin is a person who inwardly hates who they are so much that they secretly desire to be abused, just as much as they abuse themselves

The Third Connection Between You

Barack

Michelle

already. In these cases, the Saturn person will be the mirror of our own self-hate and disrespect. Indeed, in these cases, the Saturn person is abusive, verbally and otherwise. The key then, is 'When do we stop being abused by the Saturn person?', or 'When do we start loving ourselves enough to attract someone more loving and considerate?' Our relationships are always a key to find out how we treat ourselves. We invariably choose someone who mirrors the way we feel about our self. Barack would do well to reflect on this if he finds Michelle exhibiting any of the abusive forms of this Saturn energy.

The most positive Saturn relationships are those that help the partner achieve their dreams by aligning them with the hows and how-to's of success in the world. A Saturn partner can provide us with direction, understanding, coaching and wisdom - all of which can help us achieve our goals. The Saturn person can handle us. They can put us in our place, where other people may be unable to do so. Therefore we can develop a lot of trust and respect in them. And sometimes that is just what we need, someone to show us the boundaries and discipline us a little. If Barack is, or was, strongly attracted to Michelle, then this is very likely the case.

Affirmation for Michelle: I understand that I have the ability to see all of Barack's faults and shortcomings and share suggestions with him lovingly and with the awareness that I have a powerful effect on him.

Affirmation for Barack: I realize that I chose this relationship with Michelle to help me grow in important areas of my life. With that in mind, I accept her suggestions so that I may learn and make progress in becoming a successful and happy person.

The Fourth Connection Between You

Barack

Michelle

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Barack is the Mars Card to Michelle

Location: Life Spread

Barack has a definite impact on Michelle in this relationship. He has a way of making Michelle feel stimulated. Often this stimulation can be of a sexual nature. For this reason, the Mars connection is often a deciding factor in our choice of partners. There is no doubt that Michelle was or is attracted to Barack on this level. She may enjoy this energetic connection or, at other times, be annoyed by it. If Michelle sometimes gets mad at Barack, this is because Mars energy can be destructive at times if not harnessed and channeled into positive pursuits. The things that turn Michelle on may also be the same things which anger her at other times. This is how Mars energy works with everyone. It is a fact that the relationships we desire the most are usually the ones that can stimulate the most hostility at other times. When Mars energy is not used constructively it can result in fighting, resentment, hostility and in some cases, all out war.

But Michelle can use this information and consciously transform the often negative effects of this Mars connection into positive directions. It is not that difficult to keep a Mars relationship healthy. It just requires some awareness and thoughtfulness. Barack can actually be a catalyst to get her out of the house and doing things. To give this powerful Mars energy something constructive to do, it is recommended that Barack and Michelle go outside and do things together, or at the very least, find something productive to do together with this energy. Couples with this connection usually go walking, hiking, jogging, riding bicycles or participate in other forms of physical exertion. All of these and others serve to exhaust the Mars energy and satisfy it. When they do these sorts of activities together, they will always notice that they feel better, both personally and about each other, afterwards.

If Barack and Michelle have any desire to work together, they have found the perfect partner to do it with. Many successful working partnerships have this valuable Mars connection. But even in this case, Michelle should be on the lookout for the anger and competitive sides of this influence.

Because Michelle is the one who is on the receiving end of this powerful Martian force, it is likely that she has 'anger issues' to work out that are stimulated by Barack's presence in her life. It may appear that Barack seems

The Fourth Connection Between You

Barack

Michelle

intent on doing things that make her mad, even without knowing it. If Barack realizes this, he will be less likely to take offense at her reactions and words. In fact, Barack is probably not doing any of the things that Michelle thinks he is doing. This connection tells us that Michelle is the one who is the most influenced by this connection, and so she is also the one who bears the greatest responsibility for dealing with the emotions that are associated with it. If there are other Mars connections between them, this becomes even more important. Anger is actually a mistaken belief that others are intentionally disregarding us or trying to hurt us in some way. This 'misbelief' can be dismantled with awareness of what is going on and maintaining good communications.

This connection provides a lot of the spark and magic in this relationship. If Barack and Michelle use it with care, it can bring them much of what they want out of life. Any negative manifestations of this powerful energy can be controlled and eliminated through conscious awareness and when this is the case, it becomes like a genie in a bottle who can grant them all their wishes.

Affirmation for Barack: I am aware of how much I stimulate Michelle and understand her feelings. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.

Affirmation for Michelle: I accept Barack as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to him. With his help, I am diffusing my own anger and channeling my energy into positive directions.

The Fifth Connection Between You

Barack

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Michelle

Barack is the Cosmic Lesson Card to Michelle

Location: Spiritual Spread

From a past life of being together, Barack has returned to Michelle in order to play an important role in her life. This role will help her find herself and her life's work if she is looking for these answers. This represents a karmic debt that Barack must repay in order to fulfill his own aspirations. Somehow, Barack will be able to help Michelle realize her highest potential. At the least, Barack's presence in her life will act as a sign to point her in the right direction, a direction where Michelle may fulfill her obligation to the world and make a valuable contribution through her efforts.

On a personal level, this connection has little, if any, influence. It may not affect the feelings they have for each other unless the subject of Michelle's most important issues revolve around her purpose and career. In that case, Barack may find himself reminding her of how she can improve herself, or of what things she can do to get more success in the areas to which she is striving. If this happens, Michelle may react with gratitude or with resistance, and this could play an impact on just how they get along with each other. The more important these issues are for Michelle, the more this connection will affect the relationship. But, in most cases, the reminder is more of a subtle nature, and doesn't manifest in any sort of personal confrontation between the partners.

To the degree that Michelle is aware of her own personal need to play some important role in her life, she will find Barack to be a helpful influence in this regard. He may even be doing the kind of work that she is wanting to do, or is destined to do. They may be able to share this work. In other cases, Michelle may not be career-minded at all and Barack merely serves to remind her of characteristics that will help her fulfill whatever roles she is playing in her life more effectively. There is definitely an implied student/teacher relationship here, though it is not necessary for either Barack or Michelle to be aware of it. However, Barack's presence is a lesson to Michelle on some level and the more she is aware of this, and then acts upon what she is receiving from him, the sooner Michelle will elevate herself in respect to whatever roles she is playing in her life.

HOW TO READ YOUR RELATIONSHIP COMPATIBILITY REPORT

When two people are involved in a relationship, they get to know each other more deeply over time. At first, everything is wonderful and friction is rare. Then, as time goes by, you get to know other sides of your partner and, undoubtedly, discover some personality traits you don't like, and other traits you appreciate. The more time you spend together, the more you get to know each other. But even if you consider your relationship almost perfect, you will certainly experience at least some areas of possible friction.

The purpose of this report is to point out the different personality traits you possess, and how compatible they are. This report will help you identify those properties that are, at least to some extent, not compatible, and suggest how to prevent them from damaging, or dominating, your relationship.

It is important to also keep in mind that you may have some qualities that, although positive, are not compatible, but that negative traits are almost always a cause for friction. Therefore, you may find that this Relationship Compatibility Report is at times more critical and perhaps somewhat harsh - unlike most readings of this kind. If you feel uncomfortable with that, remember that this report was designed to throw light on those aspects in your charts that need to be understood and recognized, because if they are not, they can do a lot more damage than a few critical remarks in a reading.

Barack and Michelle, you will probably encounter some texts such as: "The compatibility aspect in this area of the chart is already included in other parts of this report, offset by other conditions or redundant".

This is done in order to offer a perspective that is as well balanced and clear as possible, and repeating certain traits would place too much emphasis on them.

Master numbers are also handled somewhat different in a relationship compatibility report. They are reduced to their single digit values, because it is in the single digit's archetype that those personality traits are represented. If a number that appears in your chart is 11, 22, or 33, and the compatibility refers to the numbers 2, 4, and 6 respectively, this is not a typo but an indicator that the compatibility is based on the single-digit sum of your Master number.

You will also find that some numbers normally included in a personal numerology reading are not included in a relationship compatibility report. This is because the compatibility between two people is influenced much more strongly -- as much as

ninety-five percent -- by the core numbers, than by all the other numbers in the chart combined. In fact, the lesser numbers in the chart would only muddle the waters if analyzed in the context of a relationship compatibility report.

Barack and Michelle, I hope you will enjoy your Compatibility Report and, more importantly, I hope you will find this reading to be beneficial to your relationship.

LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. Barack, you have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Personality Chart!

Barack and Michelle, your Life Path is 20/2

Barack and Michelle, you both have the same number in this part of the chart. The following text therefore applies to both of you.

The key word in your nature is peacemaker. Barack, you have the soul of an artist. You are extremely sensitive, perceptive, and a bit shy. These qualities are both your strengths and weaknesses, for while you possess enormous sensitivity to your feelings and those of others, that same sensitivity can cause you to hold back and repress your considerable talents. Sensitivity and perceptiveness are among your many fine qualities

Because you intuitively know what people want, or feel, you can be extremely diplomatic and tactful. You are also patient and cooperative. You work well with groups and somehow find a way of creating harmony among diverse opinions.

You enjoy music and poetry and require a harmonious environment.

You have an eye for beauty and a fine sense of balance and rhythm. You have healing capabilities, especially in such fields as massage, acupuncture, physical therapy, and counseling.

However, your sensitivity can also be your downfall. Barack, your extremely delicate ego bruises easily and can make too much of someone else's thoughtless remarks or criticisms. Because you get hurt easily, you may tend to withhold your own thoughts and contributions to the matter at hand. This can cause you considerable resentment and anger.

Too often, you run from confrontation to avoid a battle.

When you employ your considerable inner strength, you will discover your enormous power and abilities to direct difficult situations toward your own goals. It is the awareness of your inner strength that will give you the courage to use your own personal power when it is needed. You are a sensitive and passionate lover; your perceptiveness makes you aware of your partner's needs and desires, which you are able to fulfill with almost magical delicacy.

However, when you feel you have been mistreated or jilted, you can react with devastating power, sometimes using personal criticisms vindictively. Your awareness, diplomatic skills, and organizational talents give you the ability to bring off difficult tasks. You willingly step out of the limelight to facilitate the success of your endeavor. In truth, you are often the power behind the throne. However, you do not always receive the credit you deserve for the fine work you've done, or your role is underestimated and your accomplishments overlooked. Rather than brood over your losses, you need to confront those who would make less of your contributions and stand up for your accomplishments. You need security and comfort, quiet settings, and the company of loved ones. You are a perfectionist when it comes to your home and work environment. Barack, you have excellent taste which is obvious in your private surroundings. You are a fine companion and possess a good sense of humor. Friends seek you out for your calming and peaceful company. You are a safe haven to other sensitive people, who recognize your compassion and understanding. When you have found your niche in life, you have all the talents and intelligence for great success. Seek out work that allows your sensitive nature to flourish -- be the glue that binds others together.

Your Life Path's compatibility is 2

Barack and Michelle, your Life Path numbers are the most important numbers in your charts, and, as such, their compatibility is very important to the well-being of your relationship.

This aspect of the chart reveals both of you to have a sensitive, vulnerable side.

Sometimes that is favorable, other times it prevents issues from getting resolved, like when you step around the issue carefully, afraid to hurt the other. This may cause issues to fester and start eating at the foundation of your relationship.

Therefore, it is important not to walk away from the problems because you don't want to rock the boat. It is best to face them up-front!

Barack and Michelle, you both have a healthy respect for the power of feelings and emotions, but you have to guard against avoiding confrontations altogether.

Sometimes, a confrontation is necessary to clear the air and resolve the problems, in other words, "to send the phantoms away".

As two people who feel and experience emotions strongly, you are both more vulnerable to criticism. This is something you may have to consciously work on.

Sometimes, as I mentioned, you will avoid addressing an issue. Other times, especially when those unresolved issues cause resentments, you, like boxers, may be tempted to lash out to your partner with a "below-the-belt" criticism, revealing your anger and resentment in a way that can be very harmful for the relationship. Even more devastating, it can shut the door to any chance you might have had to resolve the underlying problem. Frequent instances of that behavior might undermine your relationship and, sticking to the paraphrase, a knock-out would not be totally impossible.

As you can see, although couples keep looking for things they may have in common, in this aspect of the chart, the fact that you both have a two does not translate into an advantage. On the positive side, you can relate to each other's emotional experiences. On the negative side, instead of one person balancing the other, you may, instead, enhance a negative experience until perspective is lost and all that remains is pain and anger.

Barack and Michelle, you both have a tendency to use the occasional white lie to circumvent what you perceive as dangerous ground. This is not always a bad thing. However, unless other numbers in your chart support your ability and your willingness to grab the bull by the horn when tact and diplomacy are no longer suitable, this avoiding of difficult subjects can have the effect of pushing each other away. You start creating a world of your own, slowly pushing your partner away. If you have the kind of relationship where the partners live their own life quite happily, there is no problem. However, you are both people of the heart and that pretty much makes that kind of lifestyle impossible.

The key to maintaining a healthy and stable relationship when both partners have a two in this part of the chart is to recognize the need for planned pow-wows.

Whenever an issue needs to be handled, discuss it openly and frankly, but never guided by impulse and emotions of the moment. Instead, tell your partner that something is bothering you and you want to talk about it. Then, build up a setting: make a cup of coffee, sit down around the table, and emphasize to your partner that you know first and foremost that your love is strong and enduring, and that, in order to keep it strong, you have to bite the bullet and talk about it. In such a

setting, you can discuss the situation intelligently, without getting too emotional and without letting anger and irritation control the discussion.

EXPRESSION

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

Barack, your Expression is 9

Barack, you are the humanitarian. You are attracted to a cause or a movement whose purpose is to make a better world. You are extremely idealistic, sometimes to the point of being naive about people or methods. You have great compassion and seek to create a more humane society. You are drawn to those who suffer physically or are at the hand of injustice. You are the righter of wrongs. Your deepest intention is to transform the world.

You are willing to sacrifice in order to advance your cause. Indeed, this seems to be a theme in your life. From time to time, you find yourself involved in a project whose very life depends upon your willingness to sacrifice something that relates directly to your ego.

You are highly idealistic. You are also a visionary, with the ability to influence and direct the masses. Deep inside, you long for the love and approval of the many, and seek fame.

Part of your hunger for fame has to do with your need for validation; you are your own harshest critic.

Barack, you realize your greatest satisfaction when you are involved in some activity that directly benefits the public good. Politics, law, protection of the environment, teaching, and healing are areas in which you would succeed.

You have a broad view of humanity and are not shackled with prejudice. You should have friends and associates from all walks of life, all colors and religious backgrounds. People fascinate and enrich you. A wide diversity of people and experiences stimulate and bring forth qualities within you that would otherwise lay dormant.

You have an abundance of artistic talent. Many with your Expression number find themselves in the arts, especially in literature, painting, and the visual and performing arts.

The number 9 indicates the completion of a cycle or a block of learning. The 9 Expression suggests that you have reached the point where a breakthrough can occur; during this lifetime you can apply all that you have learned along your evolutionary path and complete a major stage in your development. This is why we find many geniuses with the 9 Expression.

You have the ability to synthesize many diverse bits of knowledge into a unified whole.

Barack, your appearance is important. You are keenly aware of how others perceive you. As a result, others see you as a person with a great deal of control. Conversely, you are charismatic. Despite the cool and distant personality you project, people are attracted to you.

You tend to express your love somewhat impersonally. You tend to be preoccupied with your vision or cause, and sometimes overlook the needs of those closest to you. You need to be reminded to give your love more personally and more openly. Ironically, you are a very loving and sincere person, but often neglect to express what you truly feel.

In the same way, you can overlook your own needs. You can avoid sharing of your deeper feelings, creating a reservoir of emotion. You tend to postpone your personal satisfaction in favor of some larger work. Try to be more spontaneous and courageous about showing your real self, including your vulnerability.

Your basic belief in the goodness of humanity is unshakable. This causes you to encourage the best in people, but occasionally makes you vulnerable to being taken advantage of. You are not a very good judge of character.

The surest way to personal satisfaction is for you to become part of some larger social cause. Your nature is to serve. You are happiest when you feel you are helping to advance the human race.

Michelle, your Expression is 4

You are the bedrock of society, the foundation of any enterprise. Michelle, you are an organizer and manager. Your approach to life and to problems is

methodical and systematic. You are a builder and a doer. You turn dreams into reality.

You possess a highly developed sense of structure. You enjoy management systems, and can carry out your well laid plans. You are not the type to embark on any trip without a map.

Michelle, you take your obligations and those of your family quite seriously. As a result, you are reliable and responsible.

You enjoy seeing a project through from start to finish, but can become too narrowly focused. You put your nose to the grindstone and have a tendency to become a workaholic.

You are driven by contempt for all that is unstable, insecure, and unpredictable. You distrust the unconventional, preferring instead the tried-and-the-true. But this can make your endeavors move slowly and cause you much frustration, especially with the apparent limitations of your resources. At the same time, concern for the limitations of your resources causes you to be careful and cautious, shutting you out from possible shortcuts and creative solutions provided by more daring people around you.

It is important that you recognize restrictions for what they are: guiding forces that are testing and directing you toward your goals.

Michelle, your challenge is to be more imaginative and to attract more creative people into your life who can advise and inspire you.

In relationships, you tend to be somewhat moralistic. You are extremely honest and sincere. You have integrity and are trustworthy, but can also be rigid and stubborn. Don't let your strong likes and dislikes overrule your common sense and compassion. Be more understanding of others' shortcomings.

Because you tend to focus on details, you can fall into a rut and become a little dull and overly serious. Often, people born with the 4 Expression need to lighten up and have more fun.

In your conservative and careful way, you are good with money. You are very conscious of the balance between income and expenditures. You can limit your expenditures; saving money is important to you.

Michelle, you are a surprisingly good parent, and love to be involved with children. Somehow, you relate a little more than others to the innocence of children, perhaps seeing a good deal of yourself in them. You, too, are idealistic and respect the simplicity of children.

Many accountants, bookkeepers, government officials, managers, and lawyers are born under the 4 Expression. You can be attracted to the arts and music, but will likely bring your love of structure and order to any artistic field. Classical music and opera are particularly appealing and inspiring for you.

You have a keen eye for detail. You have great stamina and can work conscientiously and persistently toward your goals. This eventually brings you success and standing in your community.

Your Expression's compatibility is 9 and 4

More than any other number in your chart, your Expression number reflects who you are as a person. Earlier, you read about the Life Path number and how important that number is in your chart. However, the Life Path number reflects “the path you walk on,” and should be seen more as a powerful influence than as a part of your personality makeup. Your Expression number on the other hand, reflects a deeper part of you. It is more difficult to overcome possible negative traits you may have recognized in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

It can't be emphasized too much how important it is to realize that numbers in different areas of the chart affect you differently, even when it is the same number. Sometimes, you may read something that seems to directly contradict earlier statements. Yet, if you take the time to think about them carefully, you will probably recognize that you, as a human being, are extremely complex and full of the same contradictions. This is simply the way we are. You may be organized in one area of your life, while chaos rules in another area. You may be tactful and sensitive in one setting, and direct and confrontational in another situation.

Michelle and Barack, this part of the chart reveals some important differences you will have to learn to accept if you want this relationship to last. There is very little where the four and the nine see eye to eye. The problem is not so much that the four and the nine are not compatible, but that they simply don't connect. As always, you have to keep in mind that this is only one aspect of the chart, but even with that perspective, this is not a promising combination. Have you ever met someone you had an immediate dislike for, or, perhaps, not so much a dislike, but an inability to make some kind of connection - a level where you could relate? No two numbers reflect that kind of unexplainable negative vibration as clearly as the four and the nine. The fact that you have a relationship is proof that other numbers in your chart are compatible to such an extent that they overcome this particular “alien” combination. Michelle and Barack, the success of your relationship lies on a large part on your willingness to allow each other a lot of freedom. Think of this relationship more as two strangers who love each other, than two like souls who found each other and fell in love. There is nothing to be gained by attempting to learn even the deepest secrets and inner experiences of your partner. In this relationship, the motto is: the less the better. The less you try to understand your partner, the more you will be able to let love weld your hearts while keeping your minds free.

Michelle, you will need to allow Barack a life devoted to people or projects you

could never get excited about. Barack will have to compromise as well. Idealistic as Barack is, Barack can be self-righteous and annoyingly opinionated. If you try to change your partner, or persist in demanding that your partner sees things from your perspective, the only result will be the opposite of what you tried to accomplish: more distance, more confusion, more alienation.

The answer lies on recognizing the fact that you walk on parallel paths. So, in order to preserve your relationship, you must build a life style that will guarantee that your ways will never cross, that there will always be some distance between you. I feel, however, that it is necessary to stress that this is only one aspect of the chart. There is much more involved in your relationship and, perhaps, the complete lack of connection between the four and the nine will never become much of an issue. But if it does, remember that the distance between these numbers is the only thing that makes it possible for them to live in harmony. Try to overcome the distance and harmony no longer exists.

HEART'S DESIRE

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

Barack, your Heart's Desire is 2

Barack, you want peace and harmony in all aspects of your life. You want to devote your life to someone or something. You fall in love easily. You are extremely sensitive and emotional. You can be sentimental and you cry at sad stories. You need friends and society.

You appreciate the refinements of life. You desire comfort and security. You have refined taste, and can be a connoisseur. You love music and possess a good deal of musical talent.

Your sensitivity is actually a symptom of your highly developed intuition. But

you must learn to trust it.

Barack, you are a gentle soul and shy away from confrontation as long as possible. You experience a battle within when you do not believe you can handle a situation; this may have a paralyzing effect on you.

You prefer to give in when you should assert yourself. You must learn to be more decisive. Very often, you are afraid to use your own power in the face of someone else's aggressiveness. You incorrectly perceive yourself to be in a weaker position; you may ultimately give in merely to avoid a fight.

Conversely, you are extremely diplomatic and tactful. You like to accomplish things through quiet persuasion. You dislike force.

You have to fight uncertainty and doubt. You need to develop confidence and a willingness to stand up for what you believe to be right.

Barack, you function best in a supportive role, guiding the more public person in quiet, unobtrusive, yet essential ways.

Michelle, your Heart's Desire is 1

Michelle, your overpowering need is to be independent and to direct your own life according to what you believe. Your dream is to become the leader of whatever field you enter. Whether it is in business, community, or in your general area of expertise, you are driven to be the reigning figure.

You have the courage and the confidence to lead others. You believe firmly that your judgment is preeminent over all others. This gives you the confidence to make bold decisions and carry them out, even when other lives are greatly affected by what you do. You rarely look back once you have made a decision.

You possess intelligence and wit. You are keenly insightful and are good at evaluating the abilities of others.

You are supremely individualistic. In your manner and dress, you like to project your own unique persona.

Consequently, you don't mind being controversial, and can even enjoy the attention and impact you have made on your surroundings.

Michelle, you dislike routines, or anything that limits your freedom and independence.

Whenever you commit to something you truly love, you are absolutely tenacious in your ability to endure difficulties and overcome obstacles. You are highly responsible; you hate passing the buck. You possess remarkable willpower and a strong drive to succeed.

You are always looking for innovative ways of doing things.

Because you seek to be the boss in any endeavor, you have a tendency to dominate others. If you are not careful, especially in dealing with your subordinates and family, you may become ruthless in your decisions and behavior. You can also fall victim to impatience and intolerance, particularly if you

grow conceited or superior.

Michelle, you are the pioneer and the ground-breaker. You love the foreground, the hot-seat of responsibility. You have all the talents to succeed. As long as you maintain balance in your life, allowing others full expression of their thoughts and abilities, you will easily rise to the top of your chosen field and realize your ambitions.

Your Heart's Desire's compatibility is 2 and 1

Compatibility of the Heart's Desire numbers is very important in a relationship - few relationships last beyond the initial stage if the Heart's Desire numbers are not compatible.

Yours is a very promising combination, because, strange as it may seem, you have very little in common - at least in this aspect of the chart. This particular core number shows Michelle to be strong and driven, competitive, motivated and, perhaps, a bit bullish and overbearing. Barack, on the other hand, is by nature more the "power behind the throne", the person who understands what goes on on a deeper level. Sensitive, intuitive, insightful and supportive, Barack will always allow Michelle room to throw some weight around, without losing sight of what has to be done and how to do it. The fact that you don't play a power game has a very important role in this relationship. Both of you know what you want, know how to make the other understand, and, thanks to these abilities, you succeed in complementing each other very well.

Barack is the peacemaker, Michelle, the driving, ambitious force.

However, always remember to look at the other compatible aspects in your number combination so as to keep this in perspective.

Michelle does have to be careful with Barack. Michelle's strength is like a strong stick - it won't break easily and isn't concerned about getting damaged. Barack's strength is more flexible, but also more vulnerable. Barack will bend and surrender to other forces more easily, being therefore also more vulnerable to verbal abuse and negative criticism, things Michelle is perfectly capable of shrugging off without much damage to the ego. Interestingly, it is precisely because Barack is able to bend with the forces, that Barack is the real survivor when a serious storm hits, where as, if the wind is strong enough, Michelle's strength may snap.

At least in this aspect of the chart, the key in this relationship is "mutual respect" and "sincerity". Michelle has to understand that Barack's willingness to compromise or surrender does not represent weakness or an indecisive nature. Michelle also has to be aware that Barack is not easily fooled. Barack may accept a certain explanation or a chain of events without confrontation, but this is

more a result of a deeper insight and better perspective than cowardice. Barack recognizes insincerity, lying and role-playing much quicker than Michelle. Therefore, Michelle would be well advised not to underestimate Barack. As for Barack, keep in mind that Michelle's showing of strength and bravura does not mean that Michelle's feelings are not susceptible to being hurt. In fact, behind that facade of strength and courage is a human being who experiences matters of the heart very powerfully.

PERSONALITY

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

Barack, your Personality is 7

Barack, you seem mysterious and different. People see you as serious and studious. You are highly independent and self-sufficient. Your exceptional intelligence and wisdom are quickly noticed, people respect you. You are not one to attract people on the basis of your warmth or compassion -- though you may be loaded with both -- but because of your obvious insight into life's mysteries.

You are hard to get to know. You are often withdrawn. It is common for people to see your focus turn inside of yourself in the middle of a conversation.

You have the makings of an intellectual and an aristocrat but you have to guard against arrogance and an attitude of, "I've got it all figured out".

There have been periods in your life when you had little concern for your clothing or fashion, while at other times you are very aware of your clothing and use it to make a specific impression.

You appear dignified no matter how you dress., but a well groomed seven with

a touch of dash definitely has an advantage. Your confidence increases when you know you are well dressed.

Barack, you are recognized as spiritual and religious, with your very own ideas regarding the purpose of life and the Creator.

You are an inspired speaker, but only when discussing subjects that really interest you. Otherwise, you are not one for chatter.

Your love of knowledge and wisdom shows.

Michelle, your Personality is 3

Michelle, you are highly attractive. Many men with a 3 Personality are very handsome; women are often strikingly beautiful.

Your vibration is full of life. You are uplifting, inspiring, and charming. You are a fun person to be around. Your wit and sparkling personality make you the life of a party.

You are extroverted and optimistic. You appreciate fine clothing and jewelry, and enjoy dressing up a bit. You like glamour, and are sought after by the opposite sex.

You are a romantic. Michelle, you fall in and out of love rather quickly. You are affectionate and giving.

Do not let your charm be an incentive to play too much. Work at developing deep and lasting relationships. You have to avoid scattering your attention for popularity.

You can be flippant about commitments and may dramatize or exaggerate.

Your wit can cause you to rely too much on superficial, humorous conversation.

You have a distinct "lucky streak" that attracts many opportunities throughout your life. You also have a knack of promoting yourself as well as inspiring others. When backed up by hard work and self-discipline, these qualities almost ensure your success.

Your Personality's compatibility is 7 and 3

Quickly recognized when two people first meet, not many relationships even get started unless the Personality numbers are compatible.

This combination of numbers in this part of the chart is particularly interesting. Michelle and Barack, the different natures of the three and seven make for a relationship that either lasts for about two weeks before going up in flames, or remains exciting and powerful for a lifetime. If your relationship has existed for quite some time and can be considered stable, you may well be soul mates for life. If the relationship started recently and has already experienced considerable

ups and downs, you should be prepared to let go. It is also quite common for this combination to turn from romance into deep friendship immediately after a romantic fall-out.

Michelle has a restless, energetic, unconventional mind that happily explores the boundaries of creativity and originality. Like a kaleidoscope, the mind of the three changes colors and shapes and enchants those around it. Barack has a much more serious, but no less unconventional way of looking at life. Barack is an untiring seeker of truth and understanding. Barack gets great satisfaction out of quiet moments of contemplation and soul searching. In fact, Barack thrives on the clarity and realizations that come from such moments and from moments of spiritual enlightenment, which are common to those found with the seven in this part of the chart.

As you can see, you have very different approaches in the way you think. But, on the other hand, you have in common the fact that you both are unconventional and not afraid to wander off the beaten path. Although you have different needs and you find your happiness in very different ways, such ways are not incompatible. Michelle and Barack, it is precisely your uniquely different intellects that make this relationship lively and interesting. You complement each other. You give each other something you would not be able to give yourself. Michelle brings sunshine and an intuitive faith to Barack, while Barack offers Michelle a taste of the beauty found in exploring the depths of life itself. Like the sun and the moon, you supply light and comfort. Although on opposite ends of the spectrum in some ways, you bring light and comfort to each other's life and, as long as you don't compete for each other's space, you can live in great harmony.
